Intro: **A9 C7**

Verse:

A9	C7	A9
Looking at all of your friends		
	Em	
Wishing you could be like them		
A9	C7	
Running on glass floors again		
Em	D	
Just so you can be knocked down		
A9	C7	
Swimming in the oceans of blame		
A9	Em	
Drown as it pulls you in		
A9	C7	
Wrapping your heart in chains		
Em	D	
Cause someone always lets you down		

Chorus:

A9	Em	G
Get inside my head		
D	A9	
Get inside my head		
Em	G	
Get inside my head		
D		
And light it up again		

just continue playing the same chords all over the song.

that s easy..enjoy!
