-same rhythm as intro-

D#                    Ab5    B5  
 Fuel emotions, killing me,  
 D#                    Ab5    B5  
 Pure devotion, cut and bleed,

D#                    Ab5    B5  
 Your the crystal, the ecstasy,  
 C#                    E5  
 The drug that keeps feeding me,

So come on.

D#                    Ab5    B5  
 Torn together we sow the seed,  
 D#                    Ab5    B5  
 Bring the pleasure back for free,  
 D#                    Ab5    B5  
 The world is frozen but,  
                   C#                    E5  
 I can taste new life every time I breathe.

Chorus:

E	--7-7-7-7--2-2-2-2--5-5-5-5--0-0-0-0-----				

                  B5            F#  
 So come on, get in,  
                   A5                    Em  
 Take a ride, till you sink,  
                   B5            F#  
 Come on, get in,  
                   A5                    Em  
 Let s feel a new high kicking in.

-back to intro riff2 x2-

Verse:

D#                    Ab5    B5  
 Change the system, break the shape,  
 D#                    Ab5    B5  
 New connection hands to make,  
 D#                    Ab5    B5    C#  
 Find the honey and learn to taste again,  
                   E5  
 Bring it back again,

So come on.

D#                     Ab5     B5  
Burn forever, learn to feed,  
D#                     Ab5     B5  
Find the pleasure it s yours to keep,  
D#                     Ab5     B5  
The world is frozen,  
                      C#                             E5  
But I can taste new life every time I breathe.

Chorus:

                  B5         F#  
So come on, get in,  
                  A5                         Em  
Take a ride, till you sink,  
                  B5         F#  
Come on, get in,  
                  A5                 Em                         B5  
Let s feel a new high kicking in,  
                  F#  
Get in,  
                  A5                         Em  
Take a ride, till you sink,  
                  B5         F#  
Come on, get in,  
                  A5                 Em  
Let s feel a new high kicking in...

-back to intro riff2 x2-

Verse:

D#                    Ab5    B5  
 Come together, feel the heat,  
 D#                    Ab5    B5  
 Suck the life left right out of me,  
 D#                    Ab5    B5  
 The world is frozen,  
                   C#                                    E5  
 But I can taste new life every time I breathe,  
                   C#  
 Every step I take,  
                   E5  
 Every drop I bleed.

Chorus:

                  B5            F#  
 So come on, get in,  
                   A5                                    Em  
 Take a ride, till you sink,  
                   B5            F#  
 Come on, get in,  
                   A5                    Em                                    B5  
 Let s feel a new high kicking in,  
                   F#  
 Get in,  
                   A5                                    Em  
 Take a ride, till you sink,  
                   B5            F#
