

**High
Feeder**

Bass tuning is standard although it is tuned a 1/4 higher but that is only if you want
play along with the cd. Grants vocals have deepened so you dont really need to do this
tuning.

Bass comes in after grant plays the main riff 4 times

> = pull on
Verse 1:

```
G -----|
D -----| play twice
A ----19-15--14--16>17517599--9-9-7-55--5--1717--17---| track carefully for
timing
E -77-7-----77-7-----|
```

Verse 3 :

Bass does not play for first four of riffs

```
G -----|
D -----| play six times
A ----555522225545-|
E -5555-----|
```

Ending Chorus:

```
G -----|
D -----| play six times
A ----555522225545-|
E -5555-----|
```

ends with acoustic guitar playing and drums
