LOVE POLLUTION

G **Am** **C** (X4)
Crossing bridges over water
A new reflection creeping in
Got your head so full of traffic
The love pollution s setting in

Em **C** **Am** **C**
Cos I m feeling that I can t go on I can t go on this way
Em **C** **Am** **C**
Turning back a hundred pages in the book As letters fade

G **D** **Am** **C**
Been calling out for days As emptiness
G **D** **Am** **C** **G**
invades Another moment s lost again Just sunk beneath the waves
G **D** **Am** **C**
Been calling out for days As emptiness
G **D** **Am** **C**
invades But hey, hey, hey... (X2)

G **Am** **C** (X4)
Holding back the undercover
No respect in giving in
You d sell your soul to be another
When love pollution s setting in

Em **C** **Am** **C**
Cos I m feeling that I can t go on I can t go on this way
Em **C** **Am** **C**
Turning back a hundred pages in the book As letters fade

G **D** **Am** **C**
Been calling out for days As emptiness
G **D** **Am** **C** **G**
invades Another moment s lost again Just sunk beneath the waves
G **D** **Am** **C**
Been calling out for days As emptiness
G **D** **Am** **C**
invades But hey, hey, hey... (X2)

G **Am** **C** (X4)

You pick the pieces up again
You re like the song that never ends
And you re the reason I wake up
And you re my vision
You re my touch...

Em **C** **Am** **C**

Cos I m feeling that I can t go on I can t go on this way

Em **C** **Am** **C**

Turning back a hundred pages in the book As letters fade

G **D** **Am** **C**

Been calling out for days As emptiness

G **D** **Am** **C** **G**

invades Another moment s lost again Just sunk beneath the waves

G **D** **Am** **C**

Been calling out for days As emptiness

G **D** **Am** **C**

invades But hey, hey, hey... (X2)
