

Suffocate
Feeder

hi!

tis a cool dreamy song which is easy to play if u have long fingers (unlike me)!

this is the first song i ve ever tabbed, so if u wanna email me about it, my
address is

so here goes my slightly dodgy version of suffocate by Feeder...

VERSE

A **Asus** **F**
show it to me one way, i gotta
A **Asus** **F**
see... it all
(and so on...)

BRIDGE

A **F** **F#m**
there s gotta be hope, as people move on and on
(same for rest of bridge)

CHORUS

A **Em** **G** **D**
A **Em** **G** **D**

then there s that dreamy bit in the middle- play around on **D**, cuz i cant quite
get it right- so that can be sumthin for u to work on!

then it s just the same all the way through, but the outro is a bit different:

A **Em** **D**
give, give enough, I care

sorry its not perfect, but i like it a lot!
have fun
