

**Under The Weather
Feeder**

E A
I ve got a pain in my sick brain
B A
Two red eyes and broken veins
E A
I ve got a hand inside my head
B A
A chainsaw cutting through my bed
E A
I wish that I was still fifteen
B A
Debbie Harry and Steve McQueen
E B
I found the angel in my dream
A B
Sucked her dry and I cut her wing

E A

B A
L.A. food store cabinet

E A
Get up, shut up
B A
Give me neurofen plus
E A B
Shut up, it hurts

A
Feel I ve been hit by a bus

E A
Get up, shut up
B A
You know you don t understand
E A B A
I m feeling under the weather

Same idea for the second verse

Repeat chorus

C D B
I don t know why I do this time and time again
C D B
Cause all my drowning sorrows became my friends

Get out, just shut up, get out, yeah, shut up

Then its just the same **E A B A** idea repeated till the end
