

**Ghost**

**Fefe Dobson**

Fefe Dobson--Ghost

Standard Tuning

**Am**

Just like a go-go-go-ghost

**Em**

Watch me go-go-go-ghost

**Am**

Now I m gone in your photograph

**Em**

I bet you wish you could get me back

**Am**

Now I m stuck in your memory

**Em**

A mistaken identity

**Am**

What s her name?

What s she like?

**EM**

Does she know that you ll never treat her right?

**Am**

What s her name?

What s she like?

**Em**

Do you leave her in the middle of the night?

**C**

You act like you just saw a ghost

**Em**

I watched you getting way too close

**Am**

Now I know why you re never there

**Em**

Now I know, so it s my turn to disappear

**C**

You act like you just saw a ghost

**Em**

I caught you (Caught you)

Now I know

**AM**

Now I know why you re never there

**Em**

Now it s my turn, watch me disappear

**Am**

Just like a go-go-go-ghost

**C Em**

Watch me go-go-go-ghost

**Am**

The only gift that you ever gave

**EM**

Was that you let me just get away

**Am**

I hope I haunt you in every dream

**EM**

And you feel a little misery

**Am**

What s her name?

What s she like?

**Em**

I should warn her that you ll never do her right

**AM**

All your games

All your lies

**EM**

I need to tell her maybe I can change her mind

**C**

You act like you just saw a ghost

**EM**

I watched you getting way too close

**Am**

Now I know why you re never there

**EM**

Now I know, so it s my turn to disappear

**C**

You act like you just saw a ghost

**EM**

I caught you (Caught you)

Now I know

**Am**

Now I know why you re never there (Never there)

**Em**

Now it s my turn, watch me disappear

**AM**

Just like a go-go-go-ghost

**C Em**

Watch me go-go-go-ghost

**Am**

Just like a go-go-go-ghost

**C Em**

Watch me go-go-go-ghost

**Am**

Now you see me

Now you don't

**C EM**

You must've thought I'd never go

**Am**                    **C** (Strum once)

Thanks to you I'm taking back my soul

Chorus

x2
