Kiss Me Fool by Fefe Dobson

[CHORUS]

Am F G
Tell me who should I be to make you love me?
Am F G
Tell me what does it mean to be alone?
Am F
Can t you see me standing staring out from the distance,
Em G
Hear my cry if you d only listen...
Dm E Am
Out of focus, into me and you

[STANZA 1]

Am F
Kiss me fool, if you care
Am Em
If your words have any meaning.
Am F
Playing it cool is so unfair
Am G
Why this veil of secrecy?
Am F Am Em
God forbid, your friends found out what we did
Dm E Am
Why can t someone like you be someone like me?

[REPEAT CHORUS]

[STANZA 2]

[DO STANZA CHORDS]

Touch me fool, if your allowed.
I ll be dancing in the corner
It s so cruel to play it proud, take your hands and cover me.
I m aware that all in love is fair, but that s no reason to make me feel this way.

[REPEAT CHORUS]

Am F Em Am
And it hurts me so bad to deny it, oooh
F Am-G Am
These feelings are out of control.
F Am F Am
Do you know what it s like to want something so bad...
F Am-G Am
And then having to let it go?

F Em Am

And it hurts me to know that this time in our lives...

F Am-G Am

So soon will be in the past

F Am F

And you spend it pretending your playing it cool.

Am

Never knowing,

F

Never knowing,

G

Never knowing what,

F Am

What we should ve been.

[DO CHORUS CHORDS]

Tell me who should I be to make you love me?

Tell me what does it mean to be alone?

You ve got me wondering if I m good enough.

Pretty enough, giving enough, special enough

[DO CHORUS CHORDS AND FADE]

Tell me who should I be to make you love me?

Who should I be? Who should I be? Ooooh...

To make you love me?

Who should I be? Who should I be? Ooooh...

To make you love me?

Who should I be? Who should I be? Ooooh...

To make you love me.....?
