Brandy Alexander by Feist

This is my first tab, so I hope it s alright... enjoy:)

(There s no guitar in Verse 1)

Verse 1:
Though I d like to be the girl for him
  And cross the sea and land for him
In milky skin my tongue is sand until
  The ever distant band begins to play

Chorus:
```
        A       F#     D
He s my Brandy Alexander
        A        F#        D
Always gets me into trouble
    A       F#         D
But that s another matter
A      F#        E
Brandy Alexander
        A       F#     D
He s my Brandy Alexander
        A      F#        D
Always gets me into trouble
     A       F#         D
But that s another matter
A      F#      E
Brandy Alexander
```

Verse 2:
```
A                         D           A
Though I know what I love most of him,
A            D              A  E
I m walking on needles and pins
                   D
My addiction to the worst of him
     B                        A  D  F#  D
The low moon helps me sing,
```

(Same chords as Chorus)

I m his Brandy Alexander

```
Always gets him into trouble
I hide that I am flattered
Brandy Alexander
I m his Brandy Alexander
Always gets him into trouble
I hide that I am flattered
Brandy Alexander

            F#      A
Goes down easy (easy)

F#                  A
It goes down easy (easy)   (7x)

A       F#       D
Brandy Alexander           (4x)
```
