

**Cicadas And Gulls**  
**Feist**

I have only outlined the basic skeleton here... there is obviously lots of beautiful finger-picking that I've left out... but pretty easy to figure out if you noodle around for a bit.

Capo: 6th fret

[Intro]

**C G G Am C Am Em G**

[Verse 1]

**(G) C**  
Cicadas and gulls  
**G**  
They scrape on the hull  
**C**  
The land and the sea  
**G**  
They're distant from me

[Chorus 1]

**Am C**  
I'm in the sky, sky, sky  
**Am Em G**  
I'm in the sky

[Verse 2]

**(G) C**  
Thoughts are like pearls  
**G**  
And flags are unfurled  
**C**  
When we're in the dark  
**G**  
I'll ride you like the ark

[Chorus 2]

**Am C**  
Because you're mine, mine, mine  
**Am Em G**  
Because you're mine

[Solo]

C G G Am C Am Em G

[Verse 3]

(G) C G C G

Maps can be poems  
When you re on your own  
And distance is braille  
And all that entails

[Chorus 3]

I m in the sky, sky, sky

Am C

I m in the sky

Am C

I m in the sky

Am Em G

[Verse 4]

(G) C G C G

As high as a stage  
As full as a room  
When we re in the spoon
