

Let It Die
Feist

Great song, great lyrics, from everyone's favourite Canadian songstress, Feist.

[Verse]

G **Bm**
Let it die and get out of my mind
C **Em**
We don't see eye to eye
D
Or hear ear to ear

G **C** **Em**
Don't you wish that we could forget that kiss ?
A7
And see this for what it is
D7
That we're not in love

[Chorus]

Em **G** **C**
The saddest part of a broken heart
Em **Bm** **G** **C**
Isn't the ending so much as the start

[Verse]

It was hard to tell just how I felt
To not recognize myself
I started to fade away

And after all it won't take long to fall in love
Now I know what I don't want
I learned that with you

[Chorus]

Em **G** **C**
The saddest part of a broken heart
Em **Bm** **G** **C**
Isn't the ending so much as the start
The tragedy starts from the very first spark
Losing your mind for the sake of your heart

[Outro]

Em **G** **C**
The saddest part of a broken heart

Em **Bm** **G** **C**
Isn't the ending so much as the start END **G**
