

Look At What The Light Did Now Feist

Look at What the Light Did Now " Little Wings and Leslie Feist Duet

Interpreted by Katie Hughes & Jake Burton

These chords are taken from a live, acoustic performance of this song at (by the looks of it) an old creek-bed in the middle of nowhere.

We are kind of pretty sure that these chords are 100% correct, from the looks of the video.

*=play around with you pinky on the asterisked chords. Watch the video if you are unable to figure those parts out.

(You guys feel like peacock for dinner? "Cause that's what you're gettin')
