

Release Me
Feline

Song: Release Me
Artist: Feline
Tabbed By: James Sanctuary

E/A/A#

Why can't I just forgive and forget.
There's no room for you here in my head.
Still no sign of release from you yet.
Maybe soon I can like you instead.

E/A/A#

I feel grief but I have no regrets.
These are feelings I've come to expect.
Maybe soon I will lay them to rest.
Until then I must learn to forget.

E/A/A#

Release me.
Release me.

A/C#/F#

She can see the sea inside his mouth.
Wash away the fear that keeps her out.
Not her purpose, not her tears.
Rushing to hold him.

E/A/A#

Release me.
Release me.
Release me.
Release me.

A/C#/F#

She can see the sea inside his mouth.
Wash away the fear that keeps her out.
Not her purpose, not her tears.
Rushing to hold him.
