Seventeen, driving fast in a stolen car
D
Why d you give me the keys to your heart?
Em G D
We were young, felt like love, thought we knew it all

Closed our eyes, took a shot in the dark

[Pre-Chorus 1]

D
Eh
C G
I got scared and you noticed
Am
Showed your cards but I folded
D
I blame me for you leaving
Am
I blame me for you going
G
Now you re living your new life
G
I m still stuck in these highlights
D
Breaking down

[Chorus]

C
Used to have it all
D G
Threw it all away
D Em
Now you re just an imprint on my pillowcase
C
Used to have it all
D G
Lost it in the waves

Now there s just an imprint where you used to lay

Now there s just an imprint that you left on me
