

Honey Theres No Time
Feng Suave

IMPORTANT Read the description for explanation, these chords do work, I swear :)

you can follow the intro repeating Bm E A F#m from 00:17
and finishing with Bm E and then D just before the singing starts
(you can also play the 3 upper strings open instead of D here)

Bm A
You re seeming so closed
F#m
I want to see your guard down
E
I want to know what s under there
Bm A
I m feeling so numb
F#m E
So you can keep your clothes on, keep em on
Bm A F#m E
Come on, honey, cause we got no time
Bm A F#m E
Tell everybody you re no longer mine

N.C. Bm E
And now you re gonna wanna run from me
A F#m Bm E
Because I border on insanity
A F#m Bm E
I d pick another colour for the sky
A F#m Bm E
But I m really sorry, honey, there s no time

N.C. A Bm A Bm
And now you run like hell
A Bm A Bm
As fast and as far as you can
A F#m E D (**or just play the 3 upper strings
open instead of D**)
You ain t got no time on your hands left

Bm A
Are you gon talk?
F#m
Cause something s wrong
E
Cause something s bothering your mind
Bm A
You holding up?

F#m

Do you sleep at all?

E

Is something wrong?
