Honey Theres No Time Feng Suave

IMPORTANT Read the description for explanation, these chords do work, I swear :)

you can follow the intro repeating Bm E $\,$ A F#m from 00:17 and finishing with Bm E and then D just before the singing starts (you can also play the 3 upper strings open instead of D here)

Bm A

You re seeming so closed

F#m

I want to see your guard down

Е

I want to know what s under there

Bm A

I m feeling so numb

F#m I

So you can keep your clothes on, keep em on

Bm A F#m E

Come on, honey, cause we got no time

Bm A F#m E

Tell everybody you re no longer mine

N.C. Bm E

And now you re gonna wanna run from me

A F#m Bm E

Because I border on insanity

A F#m Bm E

I d pick another colour for the sky

A F#m Bm E

But I m really sorry, honey, there s no time

N.C. A Bm A Bm

And now you run like hell

A Bm A Bm

As fast and as far as you can

A F#m E D (**or just play the 3 upper strings

open instead of D**)

You ain t got no time on your hands left

Bm A

Are you gon talk?

F#m

Cause something s wrong

E

Cause something s bothering your mind

Bm A

You holding up?

```
Is something wrong?
Bm
  Come on, honey, cause we got no time
Bm
  Tell everybody you re no longer mine
Oh girl I m honest yes you re gonna wanna run from me
          F#m
                      Bm E
  Because I border on insanity
                 Bm
          F#m
  I d pick another colour for the sky
Α
                F#m
                             \mathbf{Bm}
  But I m really sorry, honey, there s no time
(*chords repeat as base for the riffs until the end*)
A F#m Bm E
```

F#m

Do you sleep at all?
