[Verse 3]

(same as verse 1)

Glad that you made it, look around  
You donâ€™t see one person sitting down  
They got drinks in their hands,  
And the roomâ€™s a bust  
At the end of the night maybe youâ€™ll find love  
Fake chit chat â€™bout the things they got  
And my scout reputation keeping it hot girl  
At the party of the year and my master plan  
Is to make you realize Iâ€™m your man

[Fergie]

Can the people get loud, underneath the moonlight  
Hotsy-totsy, paparazzi, hold it while I take this pic  
Speak easy, rocking the feathers Iâ€™m breezy  
Hope you can keep up boys, cause believe me, Iâ€™m the bee s  
knees

It donâ€™t mean a thing if I give you my heart,  
If you tear it apart, no, uh, uh, ah, oh  
It donâ€™t mean a thing if I ainâ€™t in your eyes,  
Probably ainâ€™t gonna fly, no, uh, uh, ah, oh  
It donâ€™t mean a thing if I give you my heart,  
If you tear it apart, no, uh, uh, ah, oh  
It donâ€™t mean a thing if I ainâ€™t in your eyes,  
Probably ainâ€™t gonna fly, no, uh, uh, ah, oh

Just one nightâ€™s all we got  
Just one nightâ€™s all we got  
Just one nightâ€™s all we got  
Just one nightâ€™s all we got

What do you think GoonRock?  
Are you ready?

[Chorus]

A little party never killed nobody  
So we gonâ€™ dance until we drop, drop  
A little party never killed nobody  
Right here, right nowâ€™s all we got

A little party never killed nobody  
So we gonâ€™ dance until we drop, drop  
A little party never killed nobody
