

Life Goes On
Fergie

[Intro]

C D C D

Mmm, da-da-da-da-da-da-da

[Verse 1]

C D

Every day when I wake up

C

Tryna read my fortune on the bottom of my coffee cup

D

But it seems like I never finish

C

It s always half full (or is it half empty?)

Bm

Maybe it s my own superstition or a kind of self protection

C

If it all looks bad, why would I wanna look ahead?

D

Oh, oh, oh, still sittin here

C

D

G C D

Just watching the sun go down, (down), down, (down), down

[Chorus]

C D

Life goes on with or without you

C

It s up to you what you re gonna do

D

You could go or you could stay

C

Who cares anyway?

D

Life goes on with or without you

C

Damn it baby, what you re gonna do?

D

You could go or you could stay

C

D C D

But who cares anyway?

D

(Haha yeah, who really cares?)

[Verse 2]

C D

Every conversation gets me high on motivation

C

Gets me craving of your own familiar situation (yeah)

D

Reach the unreachable, achieve the unbelievable

C

In the midst of all the madness (remember life s beautiful)

D

Still I m feeling restless, thinking I should rest less

C

Work more, play hard, ready for the encore

D

Is this the kinda life I really wanna live for? (two times)

C

In my heart I know, less is more (more)

D D7 D G

More (more), more, more, more

[Chorus]

C D

Life goes on with or without you

C

It s up to you what you re gonna do

D

You could go or you could stay

C

Who cares anyway?

D

Life goes on with or without you

C

Damn it baby, what you re gonna do?

D

You could go or you could stay

C D C D

But who cares anyway?

D

(Haha yeah, who really cares?)

[Bridge]

C D

It s time to take this out of my hands

C

Is it all gonna be worth it in the end?

D Am

Cause it s safe here in my comfort zone

D C

Never stray too far from home (yeah, yeah, yeah)

C

But then again this way I ll never know, never know

D C

Maybe I should go...

[Verse 3]

C

Go crazy, go insane, go for everything

C

Get the money, dollar bills in your wallet, say ka-ching

D

Sign the dealy, make a mili, sound famili?

G

The urgency is sounding the drilly for the ma-milli

D

And then they really talk in Braille, actin chilly

C

They got me feelin like an achilles, silly, silly, I mean, really?

D

Really, really? Really really though?

C

Really, really, really though?

D

Feel the vibration of the higher ground

C

Love always leads to the highest sound

D

Many conversations, people makin speculations

C

As to my procrastination due to my revelations

D

And then they get fugazi

D

You call yourself a rider

C

You need to speed your loyalty up like Bugatti

D

Baby don t underestimate my underdog mentality

C

We bout to race ahead, ambition on Ferrari

[Chorus]

C **D**

Life goes on with or without you

C

It s up to you what you re gonna do

D

You could go or you could stay

C

Who cares anyway?

D

Life goes on with or without you

C

Damn it baby, what you re gonna do?

D

You could go or you could stay

C

D C D

But who cares anyway?

D

Who really cares anyway

[Outro]
