

## Like a Lover

Fernanda Takai

**C** **F/G**  
Like a lover the morning sun  
**C** **D/C** **G/B**  
Slowly rises and kisses you awake  
**A7/13** **D7M**  
Your smile is soft and drowsy  
**C/D** **F7M**  
As you let it play upon your face  
**G/F** **C** **F/G** **C**  
Oh, how I dream I might be like the morning sun to you  
**G/F** **C**  
(I might be like the morning sun to you)

Like a lover the river wind, sighs and ripples  
Its fingers through your hair  
Upon your cheek it lingers  
And I've never known a sweeter place  
Oh, how I dream I might be like the river wind to you  
(I might be like the river wind to you)

**C** **D/C**  
How I envy a cup that knows your lips  
**G/B**  
Let it be me, my love  
**G** **F#m5-/7**  
And a table that feels your fingertips  
**B7/9-** **Em**  
Let it be me, let me be your love  
**Am7** **C/D**  
Bring an end to the endless days and nights  
**F/G**  
Without you

Like a lover the velvet moon  
Shares your pillow and watches while you sleep  
Its light arrives on tiptoe  
Gently taking you in its embrace  
Oh, how I dream I might be like a velvet moon to you  
(I might be like the velvet moon to you)

Oh, how I dream I might be like a river wind to you  
(I might be like the river wind to you)

How I envy a cup that knows your lips  
Let it be me, my love  
And a table that feels your fingertips  
Let it be me, let me be your love

Bring an end to the endless days and nights  
Without you

Like a lover the velvet moon  
Shares your pillow and watches while you sleep  
Its light arrives on tiptoe  
Gently taking you in its embrace

Oh, how I dream I might be like a velvet moon to you  
(I might be like a velvet moon to you)  
I might be like a velvet moon to you (4x)

I might be like...

(fade out)
