

Winter Song

Fernando Ortega

Verse 1:

G C/G G C/G

G C G  
Thrushes stir in the trees, and hide from the moonlight  
C G B7  
high on the stoney ridge all is still  
B7/F# C Cm G A7  
the whole world is waiting, silent as the icy stars  
C Dsus D G C/G G C/G  
A holy winter, to cheer our darkened hearts

Verse 2:

G C G  
Jesus, our Lord and king, born in a stable  
C G B7  
wrapped in rags, asleep on a bed of straw  
B7/F# C Cm G A7  
though he is from heaven, still it is enough for him  
C Dsus D G  
he who made the mountains and will come again to reign

Chorus: G D/F#

Em D G C D  
O blessed night, bright angels are singing  
Em D G Em  
for heavens light, is lying in a manger bed  
Em Em  
sweet Mary, she kisses his head  
C G C/G G C/G  
and sings a lullaby

Verse 3:

G C G  
Oh boundless mercy of God, beautiful mystery  
C G B7  
that braying donkeys and sheep and birds of the air  
B7/F# C Cm G A7  
and sheperds and sages, all have come this night  
C Dsus D G G D/F#

to welcome him, Redeemer of the world

Repeat Chorus and fade out with chords...G C/G G C/G G
