-----

Tabbed by: syphaxe

Tuning: standard

Capo on 1st fret

[[Verse i]]

**G C D G**  
High in a cloud, black in the sea

**G C D G**  
This valley sings endlessly

[[Chorus]]

**G Em Bm C**  
What s with this name of mine?

**D C G D7 Em**  
I can t seem to find

**Em A**  
How it sounds

[[Verse ii]]

**G C D G**  
Is it like red glowing in stars?

**G C D G**  
Or like the touch of my hand to yours?

**G C D G**  
We took a drive across the country

**G**                    **C**        **D**                    **G**  
Maybe it sounds like that, you tell me

[[Chorus]]

**G**                                    **Em Bm**        **C**  
What s with this name of mine?

**D**    **C**            **G D7**    **Em**  
I can t seem to find

**Em**            **A**  
How it sounds

[[Whistling through the -G C D G- verse progression]]

[[Chorus]]

**G**                                    **Em Bm**        **C**  
What s with this name of mine?

**D**    **C**            **G D7**    **Em**  
I can t seem to find

**Em**            **A**  
How it sounds

[[Bridge]]

**C**        **D**                    **C**  
So go, cross the bridge

**D**                    **C**  
Follow the ridge

**D**                    **G**  
Down to the town

**G7**                    **C**        **D**                    **C**  
And then find those that I know

**D** **C**  
They ll tell you so

**D** **G** **G7** **C** **D**  
Then you ll know just who I am

**C** **D**  
And my name

**C** **D** **G**  
It s up to you to decide how it sounds

**G7** **C**  
And what...what it means to you

[[Catchy-asst finale]]

**C**  
Are you ever gonna leave this town?

**D**  
Are we going to leave this town we re in?

**C**  
Maybe then it d even make a sound

**D**  
Maybe if we left this town we re in

**C**  
Catch a tiger by the hair, old pal

**D** **G**  
Catch a tiger by the hair he s in

**G** **G7**  
Hey, hey now tell me...Oh, oh won t you tell me?

[[Repeat to fade]]

...then try to get it out of your head

...then bicycles
