Chords are pretty easy, you can experiment with hammer in the transition from Em to Am in the verse, and from the G7 to the C going from chorus to verse.

[[Intro]]
C G C G C

[[Verse 1]]

C **B7** **Em**
There s a world outside

Am **G** **F**

C **B7** **Em**
Before I change my mind

Am **G** **F**
You ll be miles away

[[Chorus]]

F **Am** **G** **F**
