Chords are pretty easy, you can experiment with hammer in the transition from Em to Am in the verse, and from the G7 to the C going from chorus to verse.

[[Intro]]  
C G C G C

[[Verse 1]]

C            B7        Em  
There s a world outside

Am           G        F  
I could sleep all day

C            B7        Em  
Before I change my mind

Am           G        F  
You ll be miles away

[[Chorus]]

F            Am    G        F  
But it won t be long

Em                    G    G7  
  til I let you go

[[Verse 2]]

**C**            **B7**            **Em**  
When the moon hangs high

**Am**            **G**            **F**  
Don t forget to walk away

[[Chorus]]

**F**            **Am**    **G**        **F**  
cause it won t be long

**F**            **Am**    **G**        **F**  
No it won t be long

**Em**            **G**        **G7**  
til I let you go

[[Bridge]]

((find a piano playing friend))

**C**    **B7**    **Em**  
**Am** **G**    **F**  
**C**    **B7**    **Em**  
**Am** **G**    **Fmaj7**

[[Verse 3]]

**C**            **B7**            **Em**  
So I ll dream a while

**Am**        **G**            **F**  
On a pill white page

**C**            **B7**            **Em**  
It s your aching smile

**Am**            **G**            **F**  
That won t let me get away

[[Chorus]]

**F**        **Am**   **G**    **F**  
But it won t be long

**F**        **Am**   **G**    **F**  
No it won t be long

**Em**                    **G**    **G7**  
  til I let you go whoa oh oh...

[[Out!]]

**C**    **B7**    **Em**  
**Am** **G**    **F**

((Repeat to fade))
