

Ring Ring Ive Got To Sing

Ferre Grignard

D G A D
Dont cry my baby, dont cry all the while.

D G A D
Dont cry my baby just give me a smile.

D G A D
Seen my daddy, die in the war,

D G A D
Seen my mamma die crying for.

D G A D
Ring, ring, Ive got to sing

D G A D
Ring, ring Ive got to sing

They call me a hounddog, they call me a swine
Its all because of my colour for their war tho I m fine
Theyâ€™re talking â€™bout freedom of religion and race
But if your a negro, they slap you in the face.

So whats the use fighting for that sacred democracy
When Ku-klux-klan murderers are going scott free
But I am still happy so dont cry my babe
Together we ll strife for being free people some day.
