

Da Draussen
Fettes Brot

Hey Guys, this is pretty simple but aweseome.

It s just this riff through the hole song, overdriven. Enjoy:)

A5 C5 D5 D5 G5 A5 A5 D5 C5 G5 A5

-----5-7-----7-7-----7775-----|

7-7--5-7-----7-7--5-7-----7-7-7775-----5-5-5-5-7-----|

7-7--3-5-----5-5--5-7-----7-7-5553-----5-5-5-5-7-----|

5-5-----3-5-----5-5-----3-3-3-3-5-----|

In the middle there is one part where you just have to play A5 with a wah-pedal and at the end you have play G5 a few more times till you get to A5 again. Youll

figure it out:) Enjoy
