**Fex Rossi**

Artist: Fex Rossi

Song: Dixie, no you're done

Author: Waylon Jennings

Oh Dixie, hang your head and cry  
you have seen so many children die  
you had courage and you had pride  
but the Union could never see your side  
at all, oh, oh, oh not at all

oh Dixie, now the land is scarred  
the States are bleeding, they're wounded and marred  
Mister Lincoln isn't here to lend a hand  
now he's gone and bitter hate rules the land  
you're done, oh, oh, oh Dixie, now you're done
