

The Ship Song

Fex Rossi

The ship song

1990 Nick Cave & The bad seeds original song

G **D** **C** **G** **D**
Come sail your ships around me, and burn your bridges down
G **D** **C** **G** **D**
We make a little history, baby, everytime you come around
G **D** **C** **G** **D**
Come loose your dogs upon me, and let your hair hang down
G **D** **C** **G** **D**
You are a little mystery to me, everytime you come around

C **Em** **D**
We talk about it all night long
C **Em** **D**
We define our moral grounds
Em **G**
But when I crawl into your arms
C **G** **D**
Well, Everything comes tumbling down.

G **D** **C** **G** **D**
Come sail your ships around me, and burn your bridges down
G **D** **C** **G** **D**
We make a little history, baby, everytime you come around
C **Em** **D**
Your face has fallen sad now
C **Em** **D**
For you know that the time is nigh
Em **G**
When I must remove your wings
C **G** **D**
And you, you must try to fly.

G **D** **C** **G** **D**
Come sail your ships around me, and burn your bridges down
G **D** **C** **G** **D**
You are a little mystery to me, everytime you come around
G **D** **C** **G** **D**
Come loose your dogs upon me, and let your hair hang down
G **D** **C** **G** **D**
We make a little history, baby, everytime you come around

(just slow down every time)
