(Capo 3 to key of F)

(Intro)

D Em G A D Em G A

D Em G A
As I look through the evening sky

D Em G A
I think to myself how much He must love you and I

D Em G A
The Milky Way makes me look like a piece of dust on the road

D Em G A
But the Milky Way is a speck of dust compared to my Lord

D Em G A
That s how big He is

D G A
That s how big He is...

D G A
And I don t know that much about astronauts

D G A
But I know that Jesus cares an awful lot

Bm7
He made the stars

G
He made the moon

Em A D Em G A D Em G A
Just think of how much more He loves you..... you.....

D Em G A
Space may be the final frontier

D Em G A
For a lot of people who show no fear

D Em
They step outside and they look around

G A
They take a sample and come back down

D Em G A
Have they ever found the meaning of life out there

D Em G A
I don t think so, no way

D G A

I don t think so...

D G A

And I don t know that much about astronauts

D G A

But I know that Jesus cares an awful lot

Bm7

He made the stars

G

He made the moon

Em A D Em G A D Em G A

Just think of how much more He loves you..... you.....

(Bridge/Solo here)

D G A

And I don t know that much about astronauts

D G A

But I know that Jesus cares an awful lot

Bm7

He made the stars

G

He made the moon

Em A

Just think of how much more..

D G A

And I don t know that much about astronauts

D G A

But I know that Jesus cares an awful lot
