Follow Love

```
FFH
             G/B
Gonna miss this simple town full of memories
                    F (G)
             G/B
Gonna miss just hangin out with all my friends
               G/B
The rainy days and summer nights
Skippin stones by the riverside and I know
It s time to go
           G/B
                         Αm
So, here s goodbye here s so long
           C
    G/B
I must go and follow love
        G/B
I feel my heart movin on
     G/B
I must go and follow love
  G/B
Carry on while I m gone
This is what I ve been dreamin of
           D
I ll miss you so, But I must go,
G C
Go and follow love
                                                     (G)
               G/B
Got a heart that s full of dreams, and a little bit of crazy
           G/B
I can feel it pullin me to somewhere I have never been
               G/B
I m packin up and leavin home
To travel into the great unknown
It s time, I have to go
(chorus)
           F/E
And we re not guaranteed tomorrow
            Dm
So we must just keep on livin for today
F F/E
                 Dm
And make the most of every moment,
```

G/B (Am)

Every step along the way (repeat chorus)
