Open up wide, swallow down deep

No spoon full of sugar could make it sweet

The cancer inside stealing my sleep

Night after night it keeps haunting me

The secrets I keep

Are tearing me up inside

I try to hide and then I wonder why

G#m

I wonder why Iâ€™m still running when I know thereâ€™s no escaping

Come undone, surrender is stronger

I donâ€™t need to be the hero tonight

C#m **A** **E**

We all want love we all want honor

Nobody wants to pay the asking price

C#m **A** **E**

Fall on my knees, fall on my pride

Iâ€™m tripping over all the times Iâ€™ve lied

Iâ€™m asking please, but I can see in your eyes

You donâ€™t need tears for alibis

C#m **A**

Itâ€™s true what they say

E

Love must be blind

B

C#m

Itâ€™s why Youâ€™re still standing by this sinnerâ€™s side

Youâ€™re still by my side when all the things Iâ€™ve done have left you bleeding

Come undone, surrender is stronger
