Verse 1

**G**

You got a vision of some far off day

Beautiful and bright

**Dm** **F**  
Care hanging out of reach

**Am**  
But always in your sight

**G**

There s an icon in your mind

That stands for happiness one day

**Dm** **F**  
A picture on some wall

**Am**

Of a kingdom far away

Chorus

**D** **Dsus4** **D** **Am**  
Oh, it s closer than you think

**Cadd9** **Em7** **G**  
Oh, it s breathing in between

**D** **Dsus4** **D** **Am**  
Oh, it s closer than you think

**Cadd9** **G**  
Oh, it s right under your feet

Verse 2 - Same as Verse 1

The sky is much more blue  
And the clouds are always white  
Streets of course are gold  
And always lit with rings of light  
There s nothing on this earth  
That is as good as up there  
Life is so much better  
When you re floating in the air

Chorus

Bridge

**C** **G**  
Forget about your brother  
**D** **Am**  
If he doesn't seem to understand  
**C** **Em7** **D**  
That heaven you concocted in your head  
**C** **G** **D** **Am**  
And never mind your sister when she asks you silly questions  
**C** **Em7** **D**  
About all the broken people left up there  
**C** **Em7** **D**  
Burning questions are better left for dead

Verse 3

**G**  
Spend your life in a box  
  
Looking through stained glass  
**Dm** **F**  
Dream of better days  
**Am**  
And hope they find you fast

Chorus

Outro
