You have to use the chords like on top, other voicings(especially for the d-chord)  
dont sound that good. In the chorus and the solo you should use power-chords(take the higher Em!)

<b>Em</b>	<b>C</b>
Down by the hillside	
<b>D</b>	<b>C</b>
In a cave by the sea	
	<b>Em</b>
Lies the heart made of stone	
<b>C</b>	<b>D</b>
Waiting For Me	
	<b>Em</b>
	<b>C</b>
For what can awaken an angel	
<b>D</b>	<b>C</b>
My angel so soon	
	<b>Em</b>
Whose sleep has been taken	
<b>C</b>	<b>D</b>
Beneath the cold moon?	

**Em C D C**  
**Em C D**

<b>Em</b>	<b>C</b>
Stars in their orbit	
<b>D</b>	<b>C</b>
Shane pale through the light	
	<b>Em</b>
Of the warining moon	
<b>C</b>	<b>D</b>
In midtime of night	
	<b>Em</b>
	<b>C</b>
Herself in the heavens up above there	
<b>D</b>	<b>C</b>
Her beam on the waves	
	<b>Em</b>

I gazed for a while

**C** **D**  
On her cold smile

**D** **Am**  
Oh, this loss is everywhere

**C** **(G)** **D**

**Em**  
There s a stir in the air  
**C** **D** **C**  
Is it my will on the breezes to toss

**Em**  
Like the lone albatross  
**C** **D**  
On the harmony there?

**Em**  
If I could shake from my wing  
**C** **D** **C**  
Each hindering, each hindering thing!

**Em**  
For the dew of the night  
**C** **D**  
Would weight down my flight

**D** **Am**  
Oh, this loss is everywhere

**C** **(G)** **D**  
Gone - in the wind

**D** **Am**  
Oh, we had a dream to share  
**C** **(G)** **Em** **Em Em**  
Bring it back, back again
