

Long Gone
Fiddler's Green

D

The first time I met you

A

Your eyes shining brightly

D A

Iâ€™ll never forget that glance and your smile

D

We sat on the floor

A

Talked five hours or more

A7 A D

When the sun rose at seven we kissed for a while

D A G A

And itâ€™s long gone that we shared our lives

D A G

And itâ€™s long gone that I met you

D A G A

Well itâ€™s long gone that you said you love me

D A D

But now itâ€™s time to forget you

D

That night was a mild one

A

The best day of summer

D A

A bottle of wine and your head on my chest

D

A warm wind was blowing

A

When the sun started glowing

A7 A D

You told me youâ€™re going and wished me the best

D

I couldnâ€™t forget you

A

That night and our closeness

D A

For me it just seemed Iâ€™d known you for years

D

In a hundred miles distance

A

I felt your existence

A7 A D

So far from my home I knew you were here

D A G A

And it's long gone that we shared our lives

D A G

And it's long gone that I met you

D A G A

Well it's long gone that you said you love me

D A D

But now it's time to forget you

D

Time went by slowly

A

My mind was still covered

D A

With thoughts about you and this wonderful day

D

Sometimes I came down

A

To your beautiful town

A7 A D

We met for coffee, you asked me to stay

D

It took some more years

A

Till we got together

D A

A long time not knowing and things kept on going

D

In the end we succeeded

A

It was you that I needed

A7 A D

We found each other, got finally near

D A G A

And it's long gone that we shared our lives

D A G

And it's long gone that I met you

D A G A

Well it's long gone that you said you love me

D A D

But now it's time to forget you

D A G A

Itâ€™s all right, we went different ways

D A G

I donâ€™t feel any sorrow

D A G A

And itâ€™s all right what happened those days

D A D

But I hope I wonâ€™t meet you tomorrow

D

Itâ€™s easy to think

A

That the hearts of two ramblers

D A

Would fit to each other like one and another

D

But living your dreams

A

So far as it seems

A7 A D

Is likely to hurt your loverâ€™s esteem

D A G A

And itâ€™s long gone that we shared our lives

D A G

And itâ€™s long gone that I met you

D A G A

Well itâ€™s long gone that you said you love me

D A D

But now itâ€™s time to forget you

D A G A

Now youâ€™re far gone, I donâ€™t know where you living

D A G

Surely I wonâ€™t await you

D A G A

Youâ€™re far gone, not a damn I am giving

D A D

I loved you once but now I hate you
