

Long Gone
Fiddler's Green

E

The first time I met you

B

Your eyes shining brightly

E B

Iâ€™ll never forget that glance and your smile

E

We sat on the floor

B

Talked five hours or more

B7 B E

When the sun rose at seven we kissed for a while

E B A B

And itâ€™s long gone that we shared our lives

E B A

And itâ€™s long gone that I met you

E B A B

Well itâ€™s long gone that you said you love me

E B E

But now itâ€™s time to forget you

E

That night was a mild one

B

The best day of summer

E B

A bottle of wine and your head on my chest

E

A warm wind was blowing

B

When the sun started glowing

B7 B E

You told me youâ€™re going and wished me the best

E

I couldnâ€™t forget you

B

That night and our closeness

E B

For me it just seemed Iâ€™d known you for years

E

In a hundred miles distance

B

I felt your existence

B7 B E

So far from my home I knew you were here

E B A B

And it's long gone that we shared our lives

E B A

And it's long gone that I met you

E B A B

Well it's long gone that you said you love me

E B E

But now it's time to forget you

E

Time went by slowly

B

My mind was still covered

E B

With thoughts about you and this wonderful day

E

Sometimes I came down

B

To your beautiful town

B7 B E

We met for coffee, you asked me to stay

E

It took some more years

B

Till we got together

E B

A long time not knowing and things kept on going

E

In the end we succeeded

B

It was you that I needed

B7 B E

We found each other, got finally near

E B A B

And it's long gone that we shared our lives

E B A

And it's long gone that I met you

E B A B

Well it's long gone that you said you love me

E B E

But now it's time to forget you

E B A B

Itâ€™s all right, we went different ways

E B A

I donâ€™t feel any sorrow

E B A B

And itâ€™s all right what happened those days

E B E

But I hope I wonâ€™t meet you tomorrow

E

Itâ€™s easy to think

B

That the hearts of two ramblers

E B

Would fit to each other like one and another

E

But living your dreams

B

So far as it seems

B B E

Is likely to hurt your loverâ€™s esteem

E B A B

And itâ€™s long gone that we shared our lives

E B A

And itâ€™s long gone that I met you

E B A B

Well itâ€™s long gone that you said you love me

E B E

But now itâ€™s time to forget you

E B A B

Now youâ€™re far gone, I donâ€™t know where you living

E B A

Surely I wonâ€™t await you

E B A B

Youâ€™re far gone, not a damn I am giving

E B E

I loved you once but now I hate you
