Well every time you come on over, I just wanna listen
```
  B             E             C#                E
```
I know you got some issues and I know that you just miss him
```
    B         E             F#            E
```
I got a fever just to see her, feeling like a stalker
```
    B             E             G#                E       B
```
And didn t know I m really good at making you feel awkward

[Verse 1]
```
    B         E                 G#            E
```
I m at a party and I m barfing, I can barely see
```
    B             E             C#            E
```
And every time I talk to you well I can never breathe
```
    B         E         F#                E
```
I m getting drunker, I m a bummer, I should just call her
```
    B             E             G#                E
```
And didn t know I m really good at making you feel awkward

```
B                 E             G#                E
```
Didn t know I m really good at making you feel awkward

```
   B                E               C#                E
I didn t know I m really good at making you feel awkward

[Verse 2]
   B            E          G#         E
I got no money, got no job, got no self-esteem
   B            E            C#         E
I take a Xanax every morning for anxiety
      B             E            F#            E
I ll take a beer and take another, then I m gonna call her
      B             E          G#            E
I ll probably end up fucking up and making it feel awkward

[Chorus 2]
      B             E            G#            E
I ll probably end up fucking up and make it super awkward
      B             E            C#            E
I ll probably end up fucking up and make it super awkward
      B             E            G#            E
I ll probably end up fucking up and make it super awkward
      B             E            C#            E
I ll probably end up fucking up and make it super awkward
