

Body Rock

Fifth Harmony

E

I m dancing in the rain, cause there s a fire burning deep inside of you.

E

I m locked into your chain, cause I m addicted to the way your body moves.

E

Oh my heart racing and my temperature is blazing through the roof.

E

And I m tired of this charade, cause I can t hide the way I m fiending over you.

E

I m overwhelmed I might as well stay underneath the spell you put on me.

E

And when you touch me, I can feel it in my veins like electricity.
