D G Bm G

Can't spend time in rewind, I'm sorry

D G Bm G

Many times I remind myself

D G Bm G

We've come way too far in our stories, oh

D G Bm

To build these walls and to blind ourselves

G

And for every action, there's a reaction

D G Bm

And I know the world can be cold, we can't let it divide us

G

There's something inside us, a power that grows

D G

There's something beautiful in the flaws in all we are

Bm G

Something calling all of us and it says

D G

We build bridges

Bm G

Oh, we build bridges

D

No, we won't separate

G

We know love can conquer hate

Bm G

So we build bridges

D G

Bridges, not walls

Bm G

Bridges, not walls

D G

I believe in the beauty of love (hey)

Bm G  
I believe that we really are one  
D G  
I believe every woman is a fighter  
Bm G  
And I believe every man can stand beside her

D G Bm  
And I know the world can be cold, we can't let it divide us

G  
There's something inside us, a power that grows

D G  
There's something beautiful in the flaws we all are

Bm G  
Something calling all of us and it says

D G  
We build bridges

Bm G  
Oh, we build bridges

D  
No, we won't separate

G  
We know love can conquer hate

Bm G  
So we build bridges

D G  
Bridges, not walls

Bm G  
Bridges, not walls

D G  
All I pray is we break our chains

Bm G  
Because love's worth fighting for

Shed your light oh, oh, oh, oh

D G  
All I pray is we break our chains

Bm G  
Because love's worth fighting for

Shed your light oh, oh, oh, oh

D G  
All I pray is we break our chains

Bm G  
Because love's worth fighting for

Shed your light oh, oh, oh, oh

D G  
All I pray is we break our chains (all I pray is we break)

Bm G  
Because love's worth fighting for

Shed your light oh, oh, oh, oh

D G

So we build bridges (All I pray is we break our chains)

Bm G

So we build bridges (Because love s worth fighting for, shed your light oh)

D G

So we build bridges (All I pray is we break our chains)

Bm G

So we build bridges (Because love s worth fighting for, shed your light oh)
