

**Can You See
Fifth Harmony**

G C

We've all been searchin' for somethin'

G C Em D

Somethin' that's bigger than us to believe in

G C

Who knew a star was so close it could touch us?

G C Em D

Light up our hearts, lead the way through the dark

G C

I've waited all my life to feel this feelin'

Em D

That I feel right now

G C

Open up your eyes and see the world is

Em D

Brighter now

G C Em D

Can you see?

D G C Em D

Tell me, can you see the star?

Shine for you and me
