

If These Walls Could Talk
Fifth Harmony

Intro: **Em G D**

G
I can't make coffee, stare out of my window
D
Cause that's the place you left me, standing there
G
I hate this hallway for memories in the frames
D
Are a sobering reminder you're not here

Am
Yeah, I know I make mistakes
Em
Cause my pride is in the way
D **C**
You slipped right through my hands
Am
But if you were here right now
Em
Long enough to hear me out
D
I can make you understand

Em
If these walls could talk
C **G**
They'd tell you how much I miss you
D **Em**
How I'm trying everything to forget you
C
How I'm crying every night cause

G **D**
I wish you were here with me
Em
If these walls could talk
C **G**
They'd tell you that I never deserved you
D **Em**
They know I never meant to hurt you
C **G**
Baby, you would know it all
D **Em**
If these walls could talk
