

Like Mariah
Fifth Harmony

Love it when you call me baby When you re lighting up my phone
Make me want you like I m crazy I m running home, I m running home
Just to hear your heartbeat So sweet like honey comb
I gotta have you near me, cause you re the best I ve ever known

You make me get up, get up Like this is my song I ma get up, get up yah yah.
You got me humming, humming To the beat of the drum To the rhythm, rhythm yah yah.

Your loving takes me higher, you set my heart of fire.
When you touch my body, got me singing like Mariah.
There is no denying, your kisses keep me flying.
When you touch my body, got me singing like Mariah.
Singing like Mariah.

Your name is written on my lips You re the only one for me
Every single little kiss is like a dream, is like a dream
But I don t need to make a wish, cause all I want is you
When you do it like this, I just lose me cool

You make me get up, get up Like this is my song I ma get up, get up yah yah.
You got me humming, humming To the beat of the drum To the rhythm, rhythm yah yah.

Your loving takes me higher, you set my heart of fire.
When you touch my body, got me singing like Mariah.
There is no denying, your kisses keep me flying.
