

**F9**

I wanna give all the secrets

**C**

that I keep

**Am C**

Unravel me in every way

**F9**

I wanna give every single piece

**C**

of me

**Am**

Right here, right now

**G**

Put your fences down (oh)

**F9**

Right here, right now

**C**

Right here, right now

**Am G**

You and me, with no smoke

**Dm**

and mirrors

**F9**

, mirrors

**Am G F9**

Let me see, you crystal clear

**C**

, clear

**Am G**

No filter, no filter, no filter

no filter

**F9 C**

No filter, no filter, no filter

**Am**

Open your heart up

**G**

And let me inside it

**F9 C**

Open your heart up, heart up

**Am G**

You and me, with no smoke and

**Dm**

mirrors

**F9**

, mirrors

**Am**                    **G**

Let me see,        you crystal

**F9**            **C**

clear, clear

**Am**

**G**

No filter, no filter, no filter

, no filter

**F9**

**C**

No filter, no filter, no filter
