Top Down
Fifth Harmony

```
G#m                            C#              B
   Blaze it up and we ll be cruisin  with the top down.
G#m                              C#             B
   Rev up the engine we ll be cruisin  watch it go down.
G#m                            C#            B
   Get in my truck and I ll be ridin  with my top down.
G#m                 C#        B
   With my top down My top down.

G#m                                        C# B
From a small town cruisin  thru the big city
         G#m                                 C# B
Where the fellas are cute and the girls are pretty
G#m                                  C# B
It s our world so you know it s going down
         G#m                                 C#        B
I ain t got a lotta money but I got a lotta style what what.

G#m                           C#             B
   Blaze it up and we ll be cruisin  with the top down.
G#m                             C#             B

G#m                 C#        B
   With my top down My top down.

       G#m     C#                   B
Electric city Baby you re mine tonight.
         G#m     C#             B
Electric city Don t you shine bright.
         G#m    C#               B
Electric city Baby you light the way.
         G#m         C#             B
Electric city  I think that I might stay.

G#m                                   C#             B
Passed out real and I woke up realer (Hey, hey, hey, hey, hey)
G#m                                      C#           B
Me and my clique goin  hard and you feel us (Hey, hey, hey, hey, hey)
G#m                              C# B
Come on let me take you for a ride
         G#m                              C#        B
