(heavy distortion)

A **E** **D**
bored of you and everything you ve done
A **E** **D**
maybe that s not true before now but it s for now on
A **E**
to be exactly what I need
D
to be amazed what I believe, what I believe

G (I couldnt figure out the exact picking for this bridge)

A **E** **D**
do it yourself till someone else arrives
A **E** **D**
disappointment hurts you now you know I m not to try
A **E** **D**
can make you feel so small and real pissed at yourself
for being for real

(quiet strumming)

D **A**
and I believe that we ll last a long time
D **A**
ever after till we both wish we were gone

(heavy distortion)

A **E** **D**
did you know that you d be gone so long?
A **E** **D**
glorious has spun the web for weakling I ve become
A **E** **D**
to be exactly what I need, to be amazed what I believe

(quiet strumming)

quiet storm king you will soon be on your own

and I m afraid that we ll last a long time
ever after till we both wish we were gone
we sit still while it comes so it comes too slow
quiet storm king you will soon be on your own

there s no place that I d rather be than nowhere
there s no place that can hurt you like your home
ever after till we both wish we were somewhere
quiet storm king you will soon be on your own
