Fightstar
Paint your target

Hi, this is a great song, better than Palanuik s Laughter! Any thoughts, email me on
phatboi89uk@yahoo.co.uk

F# **Ebm**
You hide it everytime you lose

B

patience waits around for me

F# **Ebm**
you dance uner question marks

B

without even trying

Ebm **B**
I m just not sure its gonna work

Ebm **B**
I m just not sure its gonna work

F# **Ebm**
You can burn it all

C#

Rally around the table if you want

B

just to argue out the last scenes of us

F# **Ebm**
You can end it all

C#

I m sorry enough to tell

B

that i m okay and i m never gonna see you again

F# **Ebm**
The killers walking amongst us

B

look around they ll find your ashes

F# **Ebm**
You cradle over your mistakes

B

and every heart you ll ever break

Ebm **B**
I m just not sure its gonna work

Ebm **B**
I m just not sure its gonna work
