

**I Am  
Finding Favour**

While you were sleeping **B**  
While the whole world was dreaming **D**  
I never left your side  
And I can promise I won't be leaving **E B F**

I watch you breathing **D B**  
And I hear you singing **A**  
I feel your heart beat and I know every pain **B E**  
That you're feeling **B**

And I am the comfort when you are afraid  
I am the refuge when you call my name **Am B**  
I was, I'll be, I am **B E B**

And I am the future, and I am the past **A A**  
I am the first and I am the last **A Am F#**  
I was, I'll be, I am **F# E B**

I know you're broken **D**  
You're busted wide open **B E**  
You've fallen to pieces and you feel there's nothing left **B**  
You can hope in

But I'll hold you together **Am**  
We'll stand the weather

**B**

Cause I paid the price for you
