He was Preaching down at the Third and main as I was passing By.

Son, Im a Preacher now, but that aint who I used to be.

He said / Youll never know / youll never know / just how far love has
C/E
brought me.
Fsus2 **C5** **Gsus**
/ Youll never know / who I used to be.
Fsus2 **C5** **Gsus** **Am7** **C/E**
/ Cause Ive been around / Ive been down / to the bottom of Hell and Back again.
Fsus2 **C5** **Gsus2** (no chord)
/ I was almost out / I was at my end Then Love stepped in

Fsus2 **C5** **Am7** **Gsus**
Well she Worked downtown at a Halfway house Almost every Day.

I look back sometimes at where Ive been and just how far I've come

Since the day that preacher told me about an amazing love.

I was lost and alone when the lights came on and hope set my heart free.

Dm7

Gsus

In my darkest hour, Grace took a hold of me.
