

**Song For An Awkward Moment**  
**Finger Eleven**

Hello, this is how I play this song:

**G** (355433)  
**Em** (022000)  
**C** (032010)  
**D** (000232)

**G**  
Now if I insist upon you  
not rolling your eyes  
**Em**  
would you try your best  
**G**  
and good as gone are my  
smallest chances to erase  
**Em**  
the impressions I ve made  
with the seconds I take  
**C**  
it s time to say  
I know I meant it  
**Em**  
but I m caving  
**C**  
it s time to say  
I know I meant it  
**Em**  
but it s strange

**G**  
now if I insist upon you  
not rolling your eyes  
**Em**  
would you try your best  
**G**  
and good as gone are my  
smallest chances to erase  
**Em**  
the impressions I ve made  
with the seconds I take  
**C**  
I ve dared to say  
I know I meant it  
**Em**  
but I m caving  
**C**  
it s time to say

I know I meant it

**Em**

but it s strange

**D**

would you take everything

**C**

even this part of me

**D**

would you take everything

**C**

this part of me that always breaks

**D**

would you take everything

**C**

even this part of me

**D**

would you take everything

**C**

this part of me that always breaks
