

Stone Soul

Finger Eleven

I think he uses barre chords throughout the song until the change of key (apart from the Am), then I think he uses both.

But just do however it sounds better to you. Enjoy!

Intro: C C G G

C

If I were made of stone could you shake my soul

G

To its very core like no one could before

F

G

Am F

Now you turned me into such a fool and you know it s true

F

G

C C

And if I never make it back to you, just know I wanted to

C

If I were made of stone could you shake my soul

G

To its very core no one could before

C

It was easy to block the thought of you

G

But you get right through and I m glad you do

F

G

Am F

Now you turned me into such a fool and you know it s true

F

G

C C

And if I never make it back to you just know I wanted to

F

Bb

I don t know how I can tell you straight

F

Bb

G

Its gotta be just the right time anyways

F

G

Bb

I swear to god one day I m gonna say it to your face

Bb

Yeah, one day

Solo: F Bb

F Bb G

F G G Bb Bb

D

If I were made of stone could you shake my soul

A

To its very core like no one could before

G

A

Bm

E

Now you turned me into such a fool and I don t know if you know it s true

G

A

But if I never make it back to you just know I wanted to

D

A

G A

Just know I wanted to, just know I wanted to

Bm

E

And I don't know if you know it's true

G

A

D

But if I never make it back to you just know I wanted to
