

**Thin Spirits**  
**Finger Eleven**

TABBED BY: SANDROK71@YAHOO

TUNING: **Eb**

This is the acoustic version. You can download it from kaaza.

**Asus2 Cmaj7 Em**  
Another face

**Asus2 Cmaj7 Em**  
Another empty space

**Asus2 Cmaj7 Em**  
The feelings fade

**Asus2 Cmaj7 Em F Em**  
And all the lonely ones are left hiding

**F Em**  
Are left hiding

CHORUS:

**Asus2 Cmaj7 Em**  
Your spirit s so thin

**F**  
There s nothing left to take

**Asus2 Cmaj7 Em**  
Without rhyme or reason

**F**  
You point the other way

**Asus2 Cmaj7 Em**  
I don t need to watch as

**F**  
You go down in flames

**Asus2 Cmaj7 Em F**  
I said over and over....

**Asus2 Cmaj7 Em**  
The water comes

**Asus2 Cmaj7 Em**  
And leaves its faint traces

**Asus2 Cmaj7 Em**

You re bored to tears

**Asus2 Cmaj7 Em F Em**

I ll keep you here but you won t listen
