

Whatever Doesnt Kill Me
Finger Eleven

Couldnt really figure out the chords in the bridge, ill put the lyrics in anyways. So
feel free to skip it or leave a comment with the correct chords.

For all the c chords being played James and Rick play a G bass note with it

F **Am** **G** **G**
Dont mistake the silences
F **Am** **G** **G**
Theres so much i havent said
F **Am** **G** **G**
Its not that quiet in my head
F **Am** **G** **G**
but I cant even tell you that

Chorus

C **Am** **G**
Whatever doesnt kill me
 Em
Doesnt make me stronger
F **C** **G**
But im not gonna give up yet
C **Am**
And if these walls should weaken
G **Em** **F**
Im still strong enough to know
C **G** **G**
Im gonna build them up again

F **Am** **G** **G**
Theres one more thing left to try
F **Am** **G** **G**
It scares me that you know why
F **Am** **G** **G**
Despite my only true desire
F **Am** **G** **G**
I juts cant keep an open mind

Chorus

C **Am** **G**

Whatever doesnt kill me

Em

Doesnt make me stronger

F **C** **G**

But im not gonna give up yet

C **Am**

And if these walls should weaken

G **Em** **F**

Im still strong enough to know

C **G**

Im gonna build them up again

(Now that I am strong enough to know)

I m gonna build them up again

(Now that I am strong enough to know)

I m gonna build them up again

(Strong enough to know)

F **Am** **G** **G**

There were walls and promises

F **Am** **G** **G**

And they ve all broken down to bits

F **Am** **G** **G**

And it s exactly times like this

F **Am** **G** **G**

I found the words I should have said

Chorus

C **Am** **G**

Whatever doesnt kill me

Em

Doesnt make me stronger

F **C** **G**

But im not gonna give up yet

C **Am**

And if these walls should weaken

G **Em** **F**

Im still strong enough to know

C **G** **G**

Im gonna build them up again
